

# PHOTO DAYS SCHEDULE 2021

Friday, May 20th and Saturday, May 21st

(if your class meets twice per week, only one class is listed)

Recital costumes are ready for show time! Don't miss getting a professional portrait done of your student in costume! Moments In Time Photography will be taking class and individual portraits of students in their purchased costumes (no rental costumes). All photos will be taken at the studio. To view or download the order form, check the website.

Ballet/Tap combo classes will take pictures in ballet costumes ONLY.

Please arrive 10mins before scheduled time to get dressed in costume.

The class picture will be taken during the last 5 minutes of the session time, and individual portraits will be taken before the class picture. Appearing in the class picture does not obligate you to purchase prints. Please try to have your form filled out when you arrive. Checks, cash, credit. Portraits will be ready for pick up at the studio in about 3-4 weeks. If you will not be able to make your class's scheduled time, let us know and we can squeeze you in for an individual at another time.
